What:
Road Show is going to be an amazing mission adventure! We're headed to Bryson City NC, a resort area in the Great Smoky Mountains. Our group will stay in a local Christian campground, cook our own meals and serve in a variety of ways. Some ministry will take place in local campgrounds and may include Bible clubs, chapel services and family performances. We may also minister in nursing homes and lead worship in churches. Hey, it's missions, so stay tuned! This trip will also be about growing deeper in Christ. Next summer our church will once again have the privilege of hosting an Acts 1:8 team...and they are going with us! The 1:8ers will lead small group Bible studies and serve alongside our students. Did we mention we will also do a whitewater rafting trip? The Road Show, we're loading up to take the Gospel on the road...together!

Additionally, we may visit several different churches, enjoying fellowship and mutual encouragement with our brothers and sisters there. We may even find some time for a few fun activities surrounded by the incredible beauty of this majestic land.
